

March 2026

NEWSLETTER

Advancing Compassionate & Specialized Pediatric Surgical Care

MESSAGE FROM LEADERSHIP

March 2026 marked a month of strong clinical performance, academic progress, and team unity at **Child Surgical Foundation**. Under the leadership of **Prof. Dr. Nadeem Akhtar**, we continue to deliver specialized pediatric surgical care with excellence, innovation, and compassion.

Prof. Nadeem Akhtar

CEO Child Surgical Foundation

CLINICAL HIGHLIGHTS – MARCH 2026

ADVANCED PEDIATRIC COLORECTAL CENTER

Our center continues to grow as a regional referral hub, successfully managing:

- Hirschsprung's Disease
- Anorectal Malformations (ARM)
- Chronic constipation & fecal incontinence
- Congenital Pouch Colon

DAYCARE SURGERY EXCELLENCE

- 200+ surgeries performed during Ramadan
- Procedures: herniotomies, circumcisions, minor urology & general surgeries
- Focus on early recovery, same-day discharge, and cost-effective care

PAIN-FREE SURGERY INITIATIVE

- Ongoing collaboration with pediatric anesthesiology
- Enhanced perioperative pain management protocols
- Progress toward a dedicated pediatric pain clinic

Special Case Achievements

- Successful treatment of rare congenital anomalies
- Advanced management of:
- Tracheoesophageal fistula variants
- Complex intestinal conditions
- Multidisciplinary approach ensuring better outcomes

Special Case Achievements

- Ongoing Fellowship in Neonatal & Pediatric Surgery
- Regular case presentations, M&M meetings, and academic sessions
- Strong focus on evidence-based practice and hands-on training

Community & Awareness

- Awareness campaigns on:
- Omphalocele
- Thyroglossal cyst
- Parental education on early signs of pediatric surgical conditions

Eid Celebration

The team celebrated Eid al-Fitr with enthusiasm, strengthening unity and morale.

Infrastructure & Collaboration

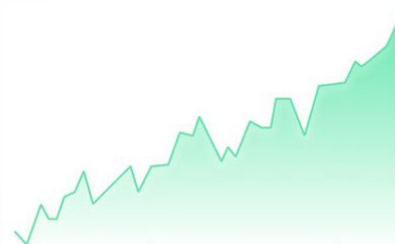

Active collaboration with:

- Medicsi Hospital
- Care Plus Hospital
- Ali Medical Centre
- Advance International Hospital

Looking Ahead

- Expansion of colorectal & neonatal services
- Development of pediatric pain clinic
- Increased daycare surgical capacity
- More community outreach programs

March 2026 reflects the dedication and expertise of our team. We remain committed to providing high-quality, accessible, and compassionate pediatric surgical care.
